Hey man - you guys have any copy we can have set up for 1. victory 2. trying to steal 3. still trying to figure out the results? 2:00 PM

On victory we're basically waiting into closer as we cant get it approved until then.

I can give you some copy about how they are planning to try and steal the election? It's approved 2:05 PM 

That would be helpful

Appreciate it 2:05 PM
